# ESSENCE

## BASIC

Chippewa Valley Electric Co-op is proud to offer our members a dependable 24/7 Personal Emergency Reporting System, which helps you and your loved ones achieve access to help IMMEDIATELY!

With the touch of a button on your lightweight pendant or wristband, a trained monitoring center dispatcher will respond immediately, analyze the call, and contact your pre-determined responder(s), and/or send medical assistance if needed.

**For Only \$28.44\* per month + tax**

+ a nominal one-time installation fee of \$38.50

*\*3 month minimum service term*

- ✓ Feel Safe in Your Home
- ✓ Improve Your Independence
- ✓ Access Help Immediately
