September 2016

## Unclaimed Capital Credits Provide Scholarships to Local Students

The following list of members received electric service from Chippewa Valley Electric Cooperative several years ago, and the capital credit funds are still being held in their names. We've been unable to return this money because we don't have a current address. If you know the whereabouts of these people, please tell them to contact our office at 715.239.6800 or 1.800.300.6800.

To claim these funds or to donate them to our scholarship fund, inactive members must contact Chippewa Valley Electric Cooperative and provide

satisfactory evidence of their right to receive them. If we cannot locate these individuals, the unclaimed funds will be used to provide scholarships to local students through Federated Youth Foundation.

This is an excellent opportunity to donate capital credits to our scholarship fund. Our scholarships are awarded each spring to graduating high school students of Chippewa Valley Electric Cooperative members. We ask that members contact our office if they are interested in donating their capital credits to the scholarship fund. It is a simple procedure to donate these funds to a worthwhile program.

## We have expanded our Med-A-Lert offerings to better meet the needs of our clients!

Today we are introducing three new offerings to our Med-A-Lert service.

### Med-A-Lert *in case of emergency*

We still have our **Basic** package, with Linear equipment, tried and true, and only **\$25/month**.

We have added an option with **Fall Detection**. We still use the Linear system, but have added a pendant that has a Fall Detection feature. The Linear system with Fall Detection is only **\$27/month**. This pendant is water resistant (not waterproof as with the Basic package), and has a replaceable battery.

Two-way voice is now an option with our **Enhanced** system. This system has all the features of our Basic package, but in addition allows you to communicate with the Response Center directly via the pendant. This is a great option for those who are frequently outside of the home, gardening, doing yardwork, or even going to the mailbox. A spare rechargeable battery for the pendant is kept charged in the base unit. The Enhanced system is only **\$30/month**.

*All of the above systems have the basic requirements: Working landline phone jack & power receptacle*

Complete mobility is available for the active individual with the **mobile mySHIELD** option. The mySHIELD is a cellular device, about 2 inches square. Pressing the alert button on the unit immediately puts you in direct contact with the Response Center. Your location is sent along with the call. Alerts can be sent as a text message to a number you choose to notify of an event, low battery, or power on/off. The cellular service provider is Verizon. The mySHIELD is an option wherever there is reliable Verizon cellular coverage. The mobile system is **\$35/month**.

Installation is available with all of our systems for a one-time fee of \$38.50 (plus tax). During the installation we will review all of the features of the system, place a test call, and verify the list of responders.

**CALL TODAY - 715.239.6800 or 800.300.6800**
